“Thank you for organising Glenda and Steve to show us the property yesterday, it really is an impressive place and you’re correct, the photos don’t do it justice, its fantastic.”

- **The best things about cu@wallaroo were...**

- Pizza Oven and the Huge Lounge
- The size, the outdoor area, huge kitchen, close to jetty.
- UNMISTAKEABLY the BEST night we had on the Run (Holiday).
- Location in that you could park the car and not use it as everything we needed was within walking distance
- The pizza oven was hit with pizzas being cooked at all hours of the day.
- Kitchen and outdoor area are user friendly.
- The whole place, very well presented, facilities were A+ -nothing to fault. Wish we had more time there!!!!
- The accommodation and facilities in general. You have done a wonderful job of renovation and thinking about the layout of the site. The kitchen facilities were wonderful. We enjoyed the challenge of the wood oven for the pizzas and would try it out again.
- The sensational kitchen. Closeness to the town centre. Superb amenities and outdoor entertaining area. Plenty of space.
- The amazing kitchen and what equipment you provide there i.e. fridge, oven, dishwasher all fantastic. The outdoor space with the windows and servery from the kitchen
- Our reunion was a complete success, facilities fantastic. Instructions were good and easy to follow. We would love to book it as a yearly event. Looking at last week In November each year.

- **Do we offer "value for money" - Do you think our price is right?**

- Price was great for us as we try to keep it affordable for our club to go on these trips
- Yes, price is fair and everyone has a great time at cu@wallaroo.
- Price was just perfect for us – we are a charity and everything helps! Thanks so much Derek, Nicole and the whole team for a wonderful experience!!!
- Yes, I feel that you do offer value for money. As a teacher, I have stayed in several campsites over the years and this one is very well appointed for a school. The students were quite 'blown away' by the quality of the campsite.
- Definitely. In our case we were trying to keep costs down for our playing group, so for what you offer and the price you charge; you are great value for money. You definitely have a winner on your hands.

- **cu@wallaroo could be better if you...**

- Nil
- To be honest Derek I am clutching at straws to put something in the box.
- Had more beds! Then we could ALL stay there!!

- **How did you find the instructions that were sent? - Is there anything you would have liked more info on?**
 - Instructions were spot on
 - No problems once we read the instructions properly.
 - Everything you gave us was clear and to the point. No problems.
 - Instructions were fantastic. One thing that would be useful would be a mention of where the mops were actually located... we did find them eventually. (now updated)
 - Instructions were great, very easy to follow!!!
 - Simple and easy to understand instructions. Very helpful.

- **Would you recommend cu@wallaroo to your friends or come back with your group again?**
 - We have already been trying to find an excuse for us to come back again. We have posted on facebook and would recommend to everyone.
 - Yes most definitely
 - We had a wonderful time and the women are keen to use the venue again. I am wondering if we might be able to place a tentative booking for the same weekend next year.
 - I can guarantee I will recommend your venue to as many as I can and we would love to use it again in the future.
 - Would recommend it to anyone that needs to bring a large group Wallaroo or the surrounding area. We loved it so much that we at Lockleys Bowling Club are already making plans to use the facilities same time next year.
 - Yes I would, and already have, recommended the facilities and would love to come back again. We will be in touch with you to arrange this.
 - You should be proud of what you have done and this helps put Wallaroo and the Copper Coast on the map.
 - You venue and service is excellent and I have already recommended it to many people
 - Absolutely! Have already done so.
 - We are definitely coming back and will be recommending to all friends and family.

Here is a comment a friend emailed through. "I must tell you, just before the long weekend we had at the beginning of the month, I went to see my beautician, who was heading off to Wallaroo for a big family reunion for the long weekend. She wasn't looking forward to it, because it was a lot of people and she was expecting the most basic of accommodation when she got there. I mentioned to her that I had some clients who owned a convention/holiday accommodation place there and it sounded like where they could be staying. Anyway, the long and the short of it is, I caught up with her again a week ago and she said it was one of the best holidays she has had. She said the accommodation was fantastic and they (you) had thought of absolutely everything you could need. I said 'knowing Derek and Nicole nothing would have been forgotten'. She said the guests talked about how Derek made sure everything was in order. I thought you might like to know that you have a great reputation."
